

Klingenthal violin makers: an overview

The following list provides the names of violin makers who came from Klingenthal, worked or trained there. It is largely based on Leo von Lütgendorff's 1923 reference classic *Die Geigen- und Lautenmacher vom Mittelalter bis zur Gegenwart* ("Violinmakers and luthiers from the Middle Ages to the present"), which offers more detailed information about individual masters. If not otherwise indicated, the years under the "Dates" column refer to entries in guild records or dates on violin labels.

Klingenthal violins can be found in our online catalogue at www.corilon.com
