**We Certify that** the violin purchased from us by [redacted]  
[redacted] is, in our judgement, a fine Italian instrument,  
the work of Giuseppe Pedrazzini of Milan, whose label it bears dated 1950. It has two  
internal brands; one on the middle part of the back and one on the upper middle part of  
the front.

**Description** The back in two pieces of quarter cut maple with  
medium width figure ascending from the centre joint; the sides similar; the scroll  
plainer; the table in two pieces of spruce with medium to wide width grain; the varnish  
of a brown-red colour on a lighter ground.

This violin is a fine and characteristic example of the  
maker's work, made in collaboration of his nephew N. Novelli. It measures 35.7 cm in  
length of body, with widths of 16.9 cm full and 20.9 cm full.
